

# DISASTER ACTION GROUP (DAG)

## An Action for Relief

As the country was suffering with the second wave of the pandemic at its peak. The series was followed by the devastating flood and landslide in the Sindhupalchowk and Manang district.

Sankalpa - Woman Alliance for Peace, Justice and Democracy in coordination with many organizations jointly formed an immediate and loose network called "Disaster in Action (DAG)" with a common aim of supporting the flood victims through essential relief packages.

The inclusive networks is joined by youths, volunteers, woman and children rights activist and many other individuals to help the affected areas in every possible way. The network through its social media page gathered information to commence its relief programs.

**DISASTER ACTION GROUP (DAG) EXPRESSES OUR DEEP SORROW FOR THOSE WHO HAVE LOST THEIR LIVES DUE TO DISASTER AND PANDEMIC.**

## RELIEF MATERIALS

The relief materials included, dry food items like instant noodles, beaten rice, biscuits, rice pax and other hygiene kits by keeping the pandemic in mind.

It also included the woman hygiene materials. It also consisted of two big tents that can capacitate 200-300 people for both Hemambu and Melamchi District of Sindhupalchowk. There was a chain of contributions both from organizations as well as individuals for the package.

The packaging was done by following all the measures of covid 19.

The distribution was done through roadway transportation though the corridors were risky to reach the affected areas.

# WOMEN IN ACTION

All our members from our network group joined in their possible way to carry out the distribution program in an effective way so that it reaches to right people.

They also visited the shelters where the displaced were kept after the rescue. They also observed the affected areas and met the community and people there to know the exact position of them in this adjoining uncertainties.

They also joined the volunteering organizations like Red Cross, other individual volunteers and the security forces there to know their next level of settlement after the rescue.

All the activities were carried out with the precaution from covid-19..

# RELIEF AND ACTION

**Making cotton sanitary pads for woman for the relief package in flood affected areas.**

**Packages being ready to be dispatched for the affected areas.**

**Handing over the packages to the rescue forces who have been deployed in the respective areas for the flood victims.**

# RELIEF AND ACTION

**Our team here with the representatives of the flood affected areas.**

**Relief packages being handed over to the security force for a proper distribution.**

**Handing over the relief packages to the representative for the flood victims in Manang district.**

# HEARTY THANKS

## THANK YOU FOR YOUR SUPPORT

**We the Disaster Action Group (DAG) would like to heartily thank all our supporters to the flood victims. We really appreciate their coordination through various means at the time of pandemic.**

*The disaster and Risk Department had listed 23 districts in the high risk of flood and landslides. Due to lack of preparedness the risk raised taking away many lives.*

*Our another round of relief for Rautahat and Bara are being prepared with necessary items.*
